

# Universal Programmable TPMS Sensor

- Laser-welded design
- Dual-frequency antenna
- New Software platform

High Accuracy  
Fast Signal  
Response

**99%**  
VEHICLE  
COVERAGE  
OE-Grade  
Components  
& Durability

## TIREVIO ADVANTAGES

### World-Class Engineering Team

Designed and validated by  
automotive and RF experts.

### 20+ Years of U.S. Market Expertise

Built by TPMS veterans who  
understand Global needs.

### Rigorous Quality Control - 158+ Checkpoints

Tested for precision and  
wireless reliability.
